## **Moral Regeneration School Outreach campaign to be rolled out in different districts**

**Mahikeng** - North West Office of the Premier in collaboration with the Department of Education will this week host two Moral Regeneration School Outreach programs in Ngaka Modiri Molema and Dr Ruth Segomotsi Mompati Districts, as an intervention measure in identified schools to address ongoing social ills, especially acts of violence.

Social ills which pollute the teaching and learning environment includes the ever-increasing learner to learner bullying act and the learner to teacher attacks with some resulting in fights and killings, a situation which is further aggravated by the gang formation in schools.

Other issues which the program seeks to address include drug and alcohol abuse, vandalism of property as well as effects of poverty, lack of parental support and child headed households.

Learners from affected schools in the two districts, will be ferried to attend the events. Members of the media are invited to attend and cover the events which will take place as follows:
