**Mahikeng** – Premier of the North West Kagiso Lazarus Mokgosi will on Friday, 20 September lead the Accelerated Service Delivery Programme Thuntsha Lerole Reloaded at Kromkuil, Moretele Local Municipality, Bojanala Platinum District Municipality.

Set to benefit majority of communities in Makapanstad, Mogogelo, Kromkuil, Mmatlhwaele and other neighbouring villages in Moretele Local Municipality, the programme whose main focus is on ensuring improved and accelerated delivery of services in a coordinated and clustered approach, will see the provincial and local leadership officially opening a completed upgraded internal road and stormwater project in Mogogelo.

This project was commissioned by Moretele Local Municipality at a total cost of R6.9 million.

An oversight to Makaunyane village where an approximately 7km road is being patched and resealed will also be undertaken. The project was started last month and is expected to be completed by February next year.

As part of a concerted effort to continue recognising and empowering rural women farmers, the provincial government will hand over bulls to identified women farmers, and also introduce a contractor for the construction of an animal handling facility in Mmatlhwaele village.

Through government's Shova Kalula Programme which is part of the broader learner transport programme focusing on learners who walk less than 5km to school, fifty (50) bicycles will be handed over to learners in Machakela Secondary School.

Essential social services to be provided include amongst others, food parcels to identified needy families, sanitary towels to learners at Rethusitswe Combined School, and ten (10) wheelchairs and sanitary towels at Kromkuil health care centre. A local Non-Profit Organisation, Morena Children's Village, which is a Child and Youth Care Centre at Ratjjepane will also receive a cheque amounting to R960 000 in support of the work they do in the area.
