Roll out of Thuntsha Lerole activities set to enhance service delivery in Rustenburg Local Municipality

Mahikeng – The Accelerated Service Delivery Programme - Thuntsha Lerole Reloaded activities are this week being rolled out in Rustenburg Local Municipality and will culminate in several services being delivered to villagers in Monakato, Lethabong, Tsitsing, Mamerotse, Maile and Marikana on Friday, 28 March. The provincial leadership will also have a community feedback session at Monakato Community Hall which is about 40km north of Rustenburg.

Premier Lazarus Kagiso Mokgosi who will be leading the roll out of this service delivery programme, accompanied by Members of Executive Council and district and local Executive Mayors, will hand over four mobile libraries to Bojanala Platinum District Municipality, while farmers in Mamerotse and Tsitsing will receive state-of-the-art livestock handling facilities.

Moreover, four RDP houses will be handed over to beneficiaries in Lesung, with about 153 beneficiaries set to receive their title deeds - reflecting a significant milestone in ongoing efforts to improve housing and property ownership within the community.
