## **RURAL TSWAING LOCAL MUNICIPALITY POISED TO GAIN ESSENTIAL SERVICES THROUGH THUNTSHA LEROLE**

**Mahikeng** – Premier Kagiso Lazarus Mokgosi will on Friday, 03 October 2025 lead the roll-out of Thuntsha Lerole programme in Tswaing Local Municipality which falls under Ngaka Modiri Molema District. Identified as one of the ten local municipalities prioritised for implementation of phase 5 of the provincial government's Accelerated Service Delivery Programme – Thuntsha Lerole, Tswaing Local Municipality is experiencing several service delivery challenges including inconsistent water supply and poor state of roads infrastructure.

Through a coordinated effort to enhance access to quality services, Premier Mokgosi who will be joined by Members of Executive Council, will officially hand over an internal road in Matshelapad. As an ongoing endeavor to improve the state of local road infrastructure, potholes patching will be undertaken from Delareyville to Ottosdal, while blading will be conducted in identified internal roads across the local municipality.

As part of the Title Deeds Friday campaign, a nationwide title deeds restoration programme, Premier Mokgosi will symbolically issue 10 out of the available 1 282 title deeds to the rightful owners, while three completed RDP houses will be handed over to the identified beneficiaries.

The provincial leadership will also undertake an oversight visit to the new Delareyville Bulk Pharmacy construction site, which once completed, will not only strengthen medicine supply across the local municipality and neighboring health facilities, but will also improve availability and equitable healthcare delivery.

As part of the day's programme, fresh produce will be handed over to indigent families in Matshelapad, Jachtkraal, and Skierlik, while 105 food parcels will be distributed to households in Thawane village. In support of youth development, sports equipment will be issued to nine identified schools, while traditional attire will be presented to Agisanang Traditional Group.

To enhance access to economic opportunities, the Centralised Supplier Database (CSD) team will be available on-site to assist with the registration, updating, and amendment of company profiles. In addition, integrated primary health care services will be offered to ensure that community members receive vital health screenings and support. In support of the Clean Cities initiative, the clearing of illegal dumping sites will also be undertaken across the local municipality.

The Accelerated Service Delivery Programme - Thuntsha Lerole Reloaded programme will also be rolled out in two other districts as follows:

In Dr Ruth Segomotsi Mompati District the programme will be rolled out at Greater Taung Local Municipality - Pitsong Community Hall in Taung, while in Dr Kenneth Kaunda District, public services will be rendered at Tswelelang location in Wolmaranstad, Maquassi Hills Local Municipality.

Members of the media are invited to attend and cover the planned provincial Accelerated Service Delivery Programme - Thuntsha Lerole Reloaded which will be rolled out in Tswaing Local Municipality, and a community feedback session which will be held as follows:

**Date : Friday, 03 October 2025**

**Time : 08h00 to 16h00 – On-site government services to communities**

**Venue : Delareyville, Matshelapad Community Hall**

**Time : 09h00 to 12h00 - Service delivery interventions and visit to project sites by the Premier, MECs and Mayors**

**Time : 12h00 to 14h30 - Community Feedback Session**
