NORTH WEST EXCO MEDIA LAUNCH OF THE PROVINCIAL GROWTH AND DEVELOPMENT STRATEGY.

Mahikeng: Members of the media are invited to the quarterly EXCO Media Briefing which will mark the official launch of the Provincial Growth and Development Strategy.

In August 2022, the Office of the Premier appointed Panels of Experts, with respective mandates to advise on Mega Infrastructure projects, and assess the performance and governance of the State-Owned Entities in the province. Their work culminated in the consolidation of the North West Provincial Growth and Development Strategy to reincarnate economic activities in the province, create jobs and fight poverty.

The PGDS serves as a strategic blueprint to guide and coordinate development initiatives in mineral beneficiation, infrastructure, manufacturing, tourism and agriculture.

Key stakeholders expected to attend the PGDS launch include EXCO members, Executive Mayors and Mayors, Heads of Departments, Municipal Managers and Chief Executive Officers of SOEs, members of the three Panels of Experts and the Provincial House of Traditional and Khoisan Leaders.

The EXCO Media Launch of the PGDS will be held as follows:

Date : Friday, 27 March 2026

Venue: Mmabatho Palms - Mahikeng

Time : 09h00

For confirmation of attendance, contact Kelebogile Modiselle on Kmodiselle@nwpg.gov.za by Thursday, 26 March 2026.
